Purpose

To ensure that all ACT Health staff, visitors, students, volunteers, contractors and retail tenants are properly identifiable and have been granted the appropriate access to ACT Health buildings. This Procedure outlines the principles and processes for the management of access to the Bowes Street facility, located at 2-6 Bowes Street, Phillip, ACT (“Bowes Street”).

Scope

This procedure applies to all ACT Health staff, visitors, students, volunteers, contractors and retail tenants. It should be read in conjunction with the ACT Health Identification Access Cards Procedure, ACT Health Protective Security Policy and the ACT Government Protective Security Policy Framework (PSPF).

This procedure applies to all access to the ACT Health Buildings, 2-6 Bowes Street (Blocks A, B and C), Phillip ACT.

Procedure

ACT Health Staff Access

ACT Health staff based at Bowes Street will have access to all perimeter entry doors, entry gates and lifts via the Electronic Access Control System (EACS). Access restrictions apply for the following areas: car parking, end of trip facilities and Level 5 Block C.

The ioProx electronic access cards are used to provide access to Bowes Street. These cards are also used to provide access to the Canberra Hospital and other ACT Health facilities. The electronic access cards are issued by the Security Office at the Canberra Hospital (see Attachment 1 for information on Identity Checks). All requests for building access must be submitted through the Identity Access Management (IAM) Portal and access to these buildings must be approved by an appropriate delegate.

In accordance with the ACT Health Protective Security Policy (Physical Security), ACT Health Staff Identification Access Cards Procedure and this procedure; all staff, visitors, students, contractors, retail tenants and volunteers are required to comply with the operational requirements of access.

ACT Health staff who are not based at Bowes Street are required to attend the Bowes Street main reception, located in Block B at 4 Bowes Street, and present their valid ACT Health staff ID card. Once verified Security will support access into the premises.
Building Opening Hours
The Bowes Street number 2 and 4 Main Entry Doors, accessed via Bowes Street, are open 7.30am to 5.30pm (Monday-Friday).

The number 6 Bowes Street Main Entry Doors are locked at all times (24/7) and require swipe card access.

After Hours Building Access
All perimeter entry doors and lifts will be locked from 5.30pm to 7.30am (Monday-Friday) and 24 hours on Saturday, Sunday and Public Holidays, with the exception of the main entry doors for number 2 Bowes Street that are open from 8:30am to 12:30pm on Saturdays to facilitate access for Employment Plus clients.

Access is available to staff required to work after hours via the EACS. Access can be requested via Identity Access Management (IAM). Please see ACT Health Staff Identification Access Cards Procedure for further information.

Visitor Access
All visitors are required to present to Reception, Ground Floor, Block B, 4 Bowes Street. Visitors are required to sign the visitor registration book at the reception counter. Visitors must advise reception who they are meeting and reception staff will contact the appropriate staff member or work area to notify them of their visitor’s arrival.

Upon confirmation from ACT Health staff, the visitor will be issued with a Visitor ID pass. Staff will be required to attend the reception point and escort the visitor to the meeting point. Upon completion of the visit the staff member will be required to escort them back to reception. Visitors must be accompanied by an ACT Health Employee when in an ACT Health work area. For meetings occurring during business hours, the Visitor ID passes are to be handed back to reception staff on completion of the visit.

Before 7.30am and after 5.30pm, visitors are required to be signed out and escorted from the premises by the responsible staff member overseeing their visit. For meetings occurring after 5:30 pm the ID passes are to be left with the staff member responsible and handed back to the reception area on the next business day.

Contractor Access
All contractors are required to present to Reception, Ground Floor, Block B, 4 Bowes Street. Contractors are required to complete a Contractor Access Request form held at the reception counter. All contractors must present appropriate documentation to Bowes Street reception staff, e.g. Work Order or DISST (Disturbance or Interference with Services, Safety or Traffic) form, and the contact details of the authorising ACT Health staff member.

Where documentation has not been provided, reception staff will make contact with the authorising ACT Health staff member and where applicable the Bowes Street work area to
notify their arrival.

Health Directorate – Identity Checks

Acceptable 100 points of ID to collect a Health Directorate Photo ID

Health Directorate is required to sight and record a copy of the Evidence of identity that is presented at the time of collecting your Health Directorate Photo ID card. The Health Directorate is using the common standard of 100 points of identity and this document describes what is acceptable for our purposes.

At least one source of ID must include a photo and name of the person (on the same document) that matches the information held in the IAM Service. This will ensure that the correct person will collect the new Health Directorate Photo ID Card.

All documentation is stored in a secure fashion electronically with limited staff members having access, and access is audited. If you have concerns about the security of the storage, please contact the IAM Service on 02 6174 7174 or via email IAM.Health@act.gov.au.

Work Experience Students
Non-Photo ID cards are issued for work experience students on short duration work experience (e.g. a week). These work experience students do not require to present 100 points of ID to collect their Non-Photo ID card, however they should be accompanied to the Security Office to collect their card.

What to do if your name does not match your ID.
When you present yourself to collect your Health Directorate Photo ID at the Security Office, and you have married, divorced, changed your name by deed poll or any other circumstance that means that your name is different to the identity documentation you wish to present, you will need to supply documentation which has both your old name and new name on it (e.g marriage certificate, decree nisi) before we can provide your Health Directorate Photo ID card in an alternative name.

In order for Health to issue a Photo ID, we must have proof of who we are issuing this document to. If your driver’s licence is in a different name to what has been supplied in the IAM Service, we cannot accept the driver’s license as proof of ID for that person without supporting documentation.

For example, this is common where a person’s qualifications or registration is in their maiden name and they wish to be known at work by that name. If the request has been approved in the IAM Service with the maiden name but all of the proof of ID is in the married name, then we require a marriage certificate as proof of name change.

If you require any further assistance with the IAM Service, please contact us via IAM.Health@act.gov.au or via phone on x47174 (02 6174 7174).
