

Health Practice closure, merger or relocation

You are required by the *Health Records (Privacy and Access) Act 1997* to publicly advertise the closure, merger or relocation of your practice in a transfer notice 30 days prior to the closure, merger or relocation. You are also required to notify ACT Health of the transfer notice information as soon as practicable after publication. ACT Health is required to forward this information to the ACT Health Services Commissioner.

Notification for closing or relocating a health practice

If you are closing, merging or relocating a health practice, please complete this form and fax it to ACT Health on 02 6205 0866.
