

Reconciliation Australia
RECONCILIATION ACTION PLANS

Statement of Commitment

Many Australians are committed to the idea of reconciliation, but don't know what to do to make a difference.

The overarching objective of all Reconciliation Action Plans is to close the 17-year life expectancy gap between Indigenous and non-Indigenous children.

We know that the process of developing a RAP will, and should, take time. While you are working on your RAP, we want to acknowledge your commitment to the process.

Please complete the following and return it to raps@reconciliation.org.au. Your statement of commitment will then be posted on the RA website.

Statement of Commitment

This agreement commits ...ACT HEALTH.....

to developing a Reconciliation Action Plan (RAP)

by ...26 MAY 2011.....

Development of this RAP will involve consultation with Aboriginal and Torres Strait Islander and non-Indigenous staff across the organisation, as well as external consultation with Indigenous stakeholders.

Areas for action will include:

- *Reaffirming ACT Health's commitment to improving the health status of Aboriginal and Torres Strait Islander peoples in the ACT through the focus areas of **Relationships – Respect – Opportunities**.*
