

Saturday Morning GTT Clinic

At The Canberra Hospital

Location:

The Saturday clinic is operated from the Antenatal Clinic at the Women's and Children's Centenary Hospital, Building 11 Level 2.

It is located along the corridor from Cafe Zouki

What to bring:

- You must bring your Pathology Request form- otherwise we cannot proceed with the test
- Please also bring your Medicare card.

Please Note:

Because it is a timed test, you have to be at the clinic at the exact time of your booking. If you are late, you will be asked to re-schedule your appointment on another day (usually at least 2 weeks wait for the next appointment).
