INSTRUCTIONS FOR COMPLETION & IMPORTANT INFORMATION

The registration is issued to the person(s) who will have the overall responsibility for the maintenance and day to day running of the system and who would be the first point of contact in the event of a disease outbreak or emergency. The registered person(s) will also be responsible for any contraventions of the Act.

Please note:

(1) Trusts will not be registered. Companies operating as trustees for a trust will be registered, in the Company name only.

(2) Applications listing a partnership as the owner will not be accepted. If your business is operated by a partnership, one or more of the individuals in the partnership will need to be listed.

(3) Parts B and C of this application form must be separately completed for each individual listed as an owner. Extra copies of Parts B and C are available at www.health.act.gov.au/hps or by contacting the HPS office.

- An engineer's risk assessment is required to be completed and submitted with the application.
- Complete this form using a black or blue pen only and return with the required fee (see page 7).
- No fee applies if the owner or manager of the cooling tower or warm water storage system is a charity (evidence of eligibility for fee exemption must be supplied).
- Declaration on page 6 must be signed.

Is the registration to be issued to a Corporation (a Company, Incorporated Association, Government agency or a Registered Charitable Organisation)?

- YES Complete PARTS A, C, D, E and F** of this application. *NB: Trusts or Partnerships will not be registered. Companies operating as trustees for a trust will be registered in the Company name only.*
- NO Complete PARTS B, C, D, E and F** of this application. *Separate details must be completed for each individual listed as an owner.*

Confirmation of identity will need to be produced either:

1. In person at the Health Protection Service office; or
2. By submitting certified copies via the post/email/fax to the HPS office.
