Instructions for the referrer

Please fax this completed form to 02 5124 8200

Staff from the Canberra Sexual Health Service will contact your client within 10 business days to arrange an appointment and to confirm that they meet the current priority criteria.

Instructions for the client:

You have been referred to the Canberra Sexual Health Centre who are currently providing access to the monkeypox vaccine (JYNNEOS) in the ACT.

A staff member from the centre will contact you directly by phone during business hours to confirm that you meet the current priority criteria and arrange an appointment. Please note that calls from this centre will show up as a private number (may display as “no caller ID”).

If you have not been contacted within 10 business days, please call the Canberra Sexual Health Centre, Monday to Friday between 1pm and 4pm on (02) 5124 2184.

For information on monkeypox and the JYNNEOS vaccine please visit
