

GET YOUR BUSINESS READY TO REFILL CANBERRA!

We'd like to say a big thank you for being part of Refill Canberra. By allowing people to refill their water bottles for free at your business, you're helping to reduce plastic waste in the environment and promote a healthier, more hydrated community! Now, let's start making a difference.

Getting started is easy

Just pop the Refill Canberra sticker in your front window to let thirsty people know they can refill their water bottle.

How will you Refill Canberra?

It's whatever works best for your business, you can choose one of these options:

OVER THE COUNTER

TIP: Give their bottle a quick rinse with running tap water before refilling it.

WATER TAP STATION

TIP: Wipe down the tap spouts once a day.

WATER DISPENSERS

TIP: Clean your dispenser with hot water and detergent at the end of each day.

WATER JUG STATION

TIP: Make sure you clean the water jugs in a dishwasher daily.

Remember: For hygiene reasons, you're free to decline refilling dirty water bottles.
