Dear colleagues,  
Please use this version of the DG Message should you wish to access the final report of the Review of Culture. The earlier message contained an incorrect link. A copy of the report is also attached for your reference.

Apologies for any inconvenience caused.

Hello from 'Radelaide'!

I'm currently at the Council of Australian Governments Health Council (COAG) meeting. It's great to be here with Minister Fitzharris, representing Canberra and the ACT Government on significant health issues.

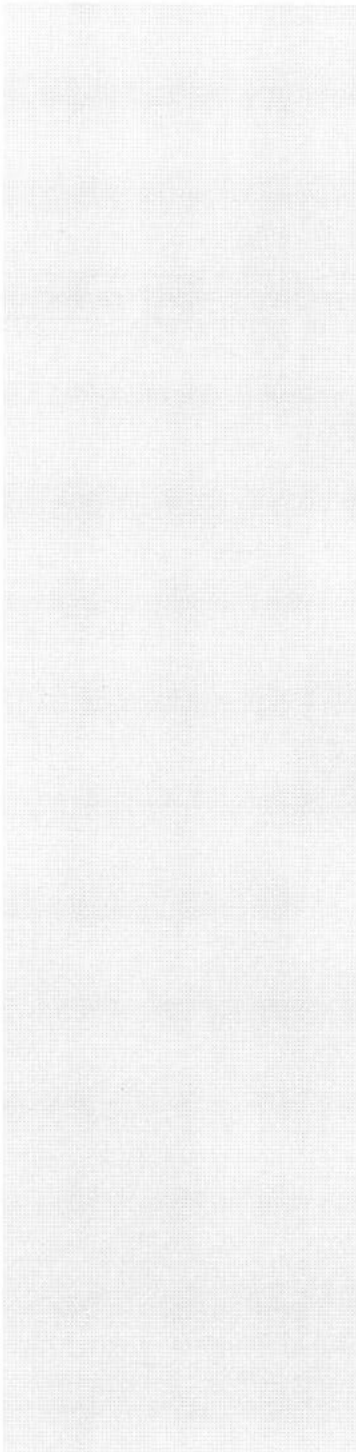

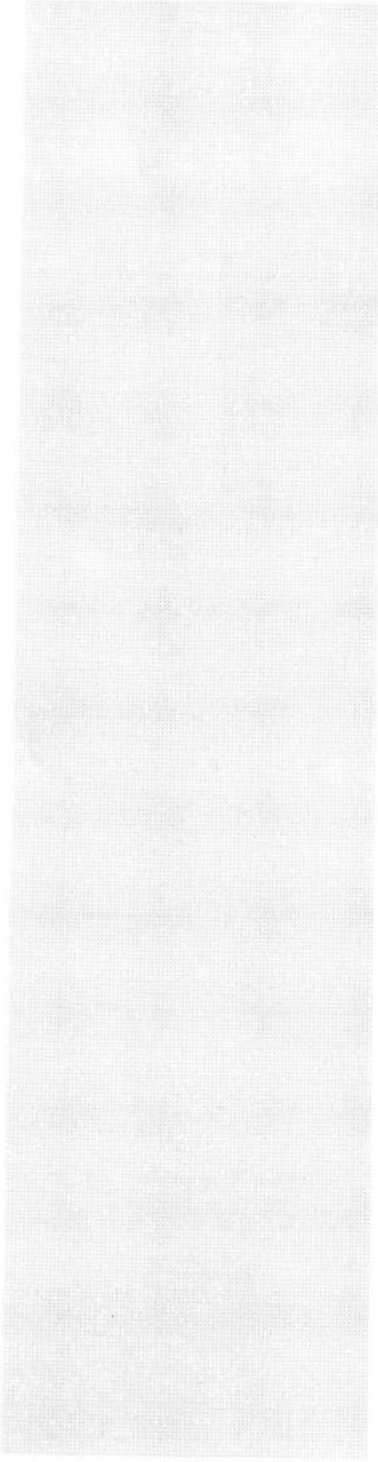

**Culture Review: Release of the final report**

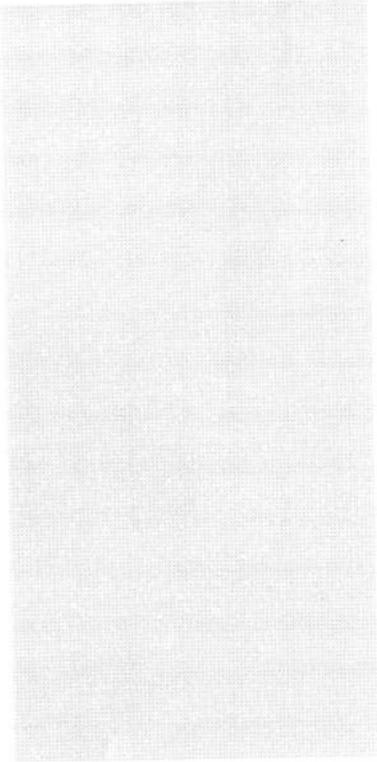

Yesterday, the Minister for Health and Wellbeing, Meegan Fitzharris MLA released the Final Report of the Independent Review into the Workplace Culture within ACT Public Health Services. Staff forums will be held across ACT Health Directorate, Canberra Health Services and Calvary Hospital to discuss the final report.

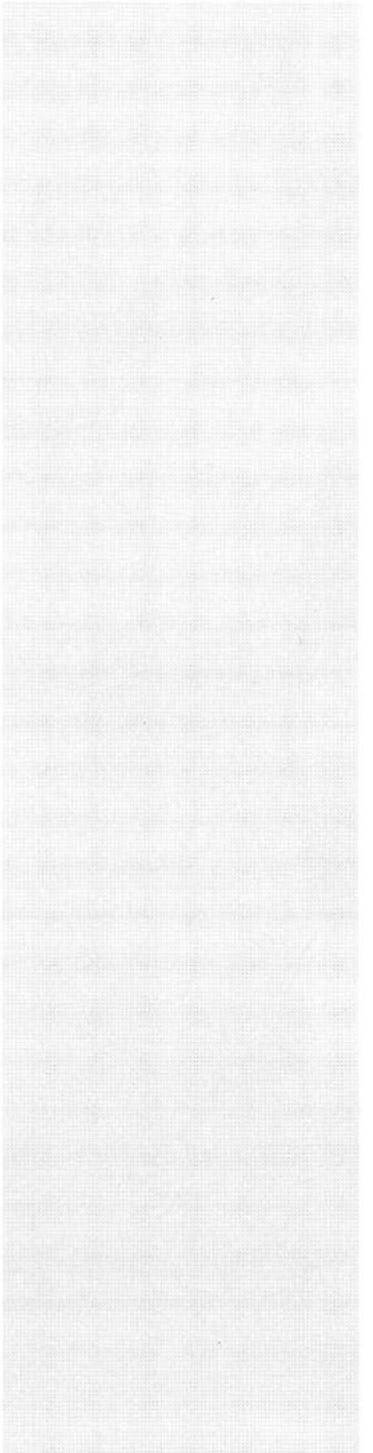

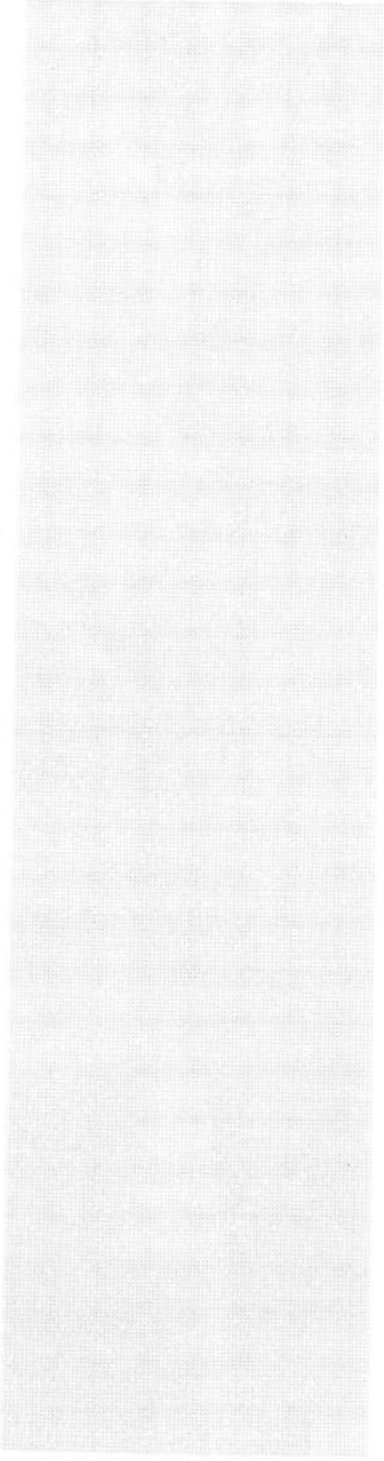

Can I once again thank you for sharing your experiences and contributing to the process of building a more positive and stronger workplace. If you have any questions in relation to the final report, please email [CultureReviewImplementation@act.gov.au](mailto:CultureReviewImplementation@act.gov.au).

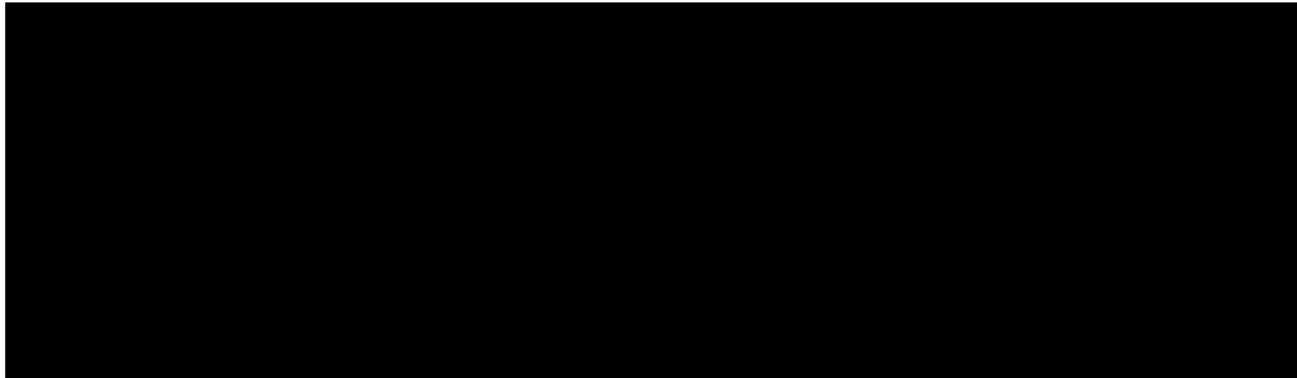

Have a safe and restful long weekend. Happy Canberra Day!

Cheers,

**Michael De'Ath**  
**Director-General**
